To maintain benefits, applicants, including those impacted by COVID-19 are required to file a weekly claim by visiting our online claims system at www.AZUI.gov. The week starts on a Sunday and ends on Saturday. Applicants are encouraged to review the guidance provided in the online claim system by hovering over the question mark icon immediately adjacent to each required question. Guidance has also been provided to include specific examples of COVID-19 related scenarios impacting claimants. DES is analyzing changing state and federal guidance and updating its eligibility requirements accordingly. These requirements may continue to change as the government response to COVID-19 evolves. Applicants are also automatically registered on Arizona's largest jobs database, Arizona Job Connection (www.AZJobConnection.gov). By completing their registration, applicants can create a digital resume, search for jobs, and get matched with hiring employers.</p>
